

# IT Architecture Practitioners Conference Barcelona

January 23-25, 2006  
Hotel Fira Palace Barcelona  
Barcelona, Spain

*In parallel with The Open Group Member Meetings, January 23-27*

**THE Open GROUP**  
Making standards work™

## Conference Program

• [Sunday](#)

• [Monday am](#)  
• [Monday pm](#)

• [Tuesday am](#)  
• [Tuesday pm](#)

• [Wednesday am](#)  
• [Wednesday pm](#)

### Sunday January 23

Pre-Conference Meetings	
18:00– 19:30	<b>Introduction to TOGAF (The Open Group Architecture Framework)</b> Bill Estrem, Metaplexity Associates - Chair, The Open Group Architecture Forum Chris Greenslade, Frietuna Consultants

### Monday January 23

[Top of Page](#) 

Pre-Conference Meetings	
08:30– 09:15	<b>Introduction to The Open Group</b> For non-members and first-time attendees
	<b>All-Members Meeting</b> Cross-forums meeting for members of The Open Group
09:20– 10:00	<b>Forum Reports</b>
10:00– 10:30	<b>Coffee</b>

### Plenary - a.m.

#### Plenary Track

10:30– 10:45	<b>Welcome</b> Allen Brown, President and CEO, The Open Group 
10:45– 11:15	<b>What is Enterprise Architecture? – A Taxonomy of IT Architecture and its Enterprise Context</b> Len Fehskens, Leader, Worldwide Architecture Profession Office, HP Services, Hewlett-Packard 
11:15– 11:45	<b>Enterprise Architecture and the New Zachman Framework</b> Stan Locke, Managing Director and COO, Zachman Framework Associates
11:45– 12:15	<b>The Service Oriented Enterprise</b> Stuart Crawford, Capgemini
12:15– 12:45	<b>Update – the Emerging New TOGAF Framework for Enterprise Architecture</b> TBA
12:45– 14:00	<b>Lunch</b>

[Top of Page](#) 

**Plenary – p.m.**

14:00–15:00	<b>Effective Implementation of Enterprise Architecture - the Gartner Experience</b> Brian Burke, Gartner Group
15:00–15:30	<b>From Hardware to Wetware: Developing an Enterprise Architecture Framework Consistent with Enterprise Culture and Values</b> Simon Shapiro, CIO, Investec Bank, South Africa
15:30–16:00	<b>Coffee</b>
<b>Architect Certification</b>	
16:00–16:30	<b>TBA</b>
16:30–17:00	<b>The Open Group IT Architect Certification Program – Update</b> James de Raeve, The Open Group 

**Tuesday January 24**[Top of Page](#) **Parallel Streams – IT Architecture Practitioners Forum**

	<b>STREAM #1: Enterprise Architecture Development</b>	<b>STREAM #2: Business and Information Architecture</b>	<b>STREAM #3: Service Oriented Architectures</b> (hosted by The Open Group Customer and Supplier Councils)	<b>STREAM #4: TOGAF 9 Update</b> (hosted by The Open Group Architecture Forum)
08:30–10:30	08:30 – 10:30 <b>TUTORIAL: Integrating the Models - Using the Zachman Framework for Effective Enterprise Architecture</b> Stan Locke, Managing Director and COO, Zachman Framework Associates	08:30 – 09:00 <b>Business and Information Architecture</b> Jeremy Hilton, Cardiff University, UK  09:00 – 09:30 <b>Data Architecture</b> George Dobbs, Senior Database Architect, Dynamics Research Corporation  09:30 – 10:00 <b>Enterprise Information Architecture - a Strategic IT Capability</b> Gergana Korudanova, Principal Data Architect, DHL Information Services (Europe), Czech Republic  10:00 – 10:30 <b>Enterprise Data Architecture</b> Rajarshi Basu, Infosys(India)	08:30 – 09:30 <b>Business Case for SOA: Strategy and Tactics</b> Chris Haddad, Burton  09:30 – 10:00 <b>Group Service Oriented Infrastructure (SOI) in the DataCenter</b> Ronald van Kleunen - Managing Director, Globeron   10:00 – 10:30 <b>SOA Lifecycle Management Framework</b> Mats Gejnevall, Enterprise Architect, Capgemini Sweden	9:00 - 9:45 <b>TOGAF 9 Overview</b> Judith Jones, Architecting- the- Enterprise.  9:45 - 10:30 <b>TOGAF 9 Business Context</b> Judith Jones, Architecting- the- Enterprise, UK.
10:30–11:00	<b>Coffee</b>			
	<b>STREAM #1: Enterprise Architecture Development</b> (continued)	<b>STREAM #2: Business and Information Architecture</b> (continued)	<b>STREAM #3: Service Oriented Architectures</b> (continued) Hosted by The Open Group Customer and Supplier Councils	<b>STREAM #4: TOGAF 9 Update</b> (continued) Hosted by The Open Group Architecture Forum
11:00–	11:00 – 11:30	11:00 – 11:30	11:00 – 11:30	11:00 - 11:45

<p>12:30</p>	<p><b>Enterprise Architecture Reusable Assets: Reference Models, Building Blocks, and Architecture Patterns</b> Bill Estrem, Metaplexity Associates</p> <p>11:30 – 12:00 <b>Enterprise Architectural Framework Based Project Management: Missing Art of EA Practice</b> Soumen Chatterjee, UPCO, UK </p> <p>12:00 – 12:30 <b>NITeworks Enterprise Architecture - Capability Through Partnering</b> Jeff Carter , Battlespace Architect, NITeworks, UK </p>	<p><b>What Requirements drive the Architecture</b> Alex Cameron, Global Capability Leader - Architecture Applications Delivery, EDS (Australia) </p> <p>11:30 – 12:00 <b>A Framework for Process Centric Architecture</b> Rajesh Radhakrishnan, Zygous LLC, US </p> <p>12:00 – 12:30 TBA</p>	<p><b>SOA Case Study: How an Integrated Architecture Framework Helps a Company to Become a Service Oriented Enterprise</b> Philippe André, Enterprise Architect, Capgemini France</p> <p>11:30 – 12:00 <b>SOA and Governance</b> Christopher Blake, Architecting-the-Enterprise, UK</p> <p><b>Event-Driven Architectures – SOA</b> Bert Hooyman, Chief Architect - Enterprise Integration (Europe), MphasiS UK Ltd. </p>	<p><b>TOGAF 9 EA Capability Management</b> Stuart MacGregor, Real IRM, South Africa</p> <p>11:45 - 12:30 <b>TOGAF 9 Architecture Development</b> Simon Dalziel, Architecting-the- Enterprise, UK</p>
--------------	--	--	---	--

<p>12:30–14:00</p>	<p><b>Lunch</b> <span style="float: right;"><a href="#">Top of Page</a> </span></p>
--------------------	--

**Parallel Streams – IT Architecture Practitioners Forum**

	<p><b>STREAM #1: Enterprise Architecture</b> (continued)</p>	<p><b>STREAM #5: Secure Messaging Architecture</b> Hosted by The Open Group Messaging Forum</p>	<p><b>STREAM #3: Service Oriented Architectures</b> (continued)</p>	<p><b>STREAM #4: TOGAF9 Update</b> (continued)</p>
<p>14:00–15:30</p>	<p><b>Architecture Asset Management</b> Srikanth Narasimhan, Member of Technical Staff, Enterprise Architecture, Cisco Systems </p> <p><b>A Framework for Organisation Development and Change using the Unified Process and the UML</b> Ed Walters, Truecom Associates</p> <p><b>Business Driven Development (BDD) - Process and Service Oriented Development of Architectures and Applications</b> Peter Klement, Principal Consultant, SD&amp;M AG, Germany </p> <p><b>Aligning the TOGAF ADM (Architecture Development Method) and SEI's ADM (Attribute Driven Methodology)</b> Rakesh Radhakrishnan, Enterprise IT Architect, Sun Microsystems, US </p> <p><b>An Inventory of Architect Roles and Competencies</b> Roel Wieringa, University of</p>	<p>14:00 – 15:30 <b>TUTORIAL: A Secure Messaging Architecture for the Enterprise</b> Mike Lambert, MGL Associates</p>	<p>14:00 – 15:30 <b>Service Oriented Architectures (Session #3)</b></p>	<p>14:00 - 14:45 <b>TOGAF 9 Business Transformation Planning</b> Bob Weisman, CGI, Canada</p> <p>14:45 - 15:30 <b>TOGAF 9 EA Deployment</b> Dave Harrison, Architecting-the- Enterprise, UK</p>

	Twente, Netherlands / Netherlands Architecture Forum (NAF) 			
15:30–16:00	<b>Coffee</b>			
	<b>STREAM #1: Enterprise Architecture</b> (continued)	<b>STREAM #5: Secure Messaging Architecture</b> (continued) Hosted by The Open Group Messaging Forum	<b>STREAM #3: Service Oriented Architectures</b> (continued)	<b>STREAM #4: TOGAF9 Update</b> (continued)
16:00–17:30	<p>16:00 – 16:30 <b>Introducing Architecture to the Enterprise - the Business Case for Architecture</b> Harry Hendrickx, Principal Strategic Consultant, Capgemini Netherlands.</p> <p>16:30 – 17:00 <b>US Federal EA Implementation Principles</b> Dr Van B. Le, Sr Enterprise Architect, Exeter Government Services, US</p> <p>17:00 – 17:30 <b>Step-by-step Autonomy in the Enterprise</b> Bahadir Baran Odevci, Enterprise Architect, Finansbank (Holland) N.V.</p> <p>17:30 – 18:00 <b>Enterprise Architecture Benchmarking Survey</b> Thomas Obitz, Infosys Technologies, Germany</p>	<p>16:00 – 17:30 <b>TUTORIAL: A Secure Messaging Architecture for the Enterprise (continued)</b> Mike Lambert, MGL Associates</p>	<p>16:00 – 17:30 <b>SOA WORKSHOP: How The Open Group Can Help</b></p>	<p>16:00 - 16:45 <b>TOGAF 9 EA Value Realization</b> Judith Jones, Architecting-the- Enterprise, UK</p> <p>16:45 - 17:10 <b>Thoughts on TOGAF 9 Certification</b> James de Raeve, The Open Group</p> <p>17:10 - 17:30 <b>TOGAF9 Panel Session</b></p>
17:30	<b>Close</b>			
18:30	<b>Gala Dinner (offsite)</b>			

## Wednesday January 25

[Top of Page](#) 

Parallel Streams – IT Architecture Practitioners Forum			
	<b>STREAM #6: Enterprise Architecture and Governance</b>	<b>STREAM #7: Key Issues in Enterprise Architecture Tools</b>	<b>STREAM #8: Architecting Enterprise-wide Semantic Interoperability (</b> Hosted by The Open Group Customer and Supplier Councils
08:30–10:30	<p>08:30 – 09:30 <b>TUTORIAL: Architecture Governance</b> Stuart MacGregor, Real IRM South Africa</p> <p>09:30 – 10:00 <b>A Method for Monitoring and Encouraging Systems Compliance with</b></p>	<p>08:30 – 09:00 <b>Metis by Troux - Increased value for TOGAF users</b> Paul Fosland, Practice Director, Troux Technologies AS (Norway)</p> <p>09:00 – 09:30 <b>The Envision Tool</b></p>	<p>08:30–10:30 <b>Architecting Enterprise -wide Semantic Interoperability (Session #1)</b></p> <p><b>Enterprise Architecture Frameworks and Interoperability Frameworks in e-Government Initiatives</b> Luis Guijarro Coloma, Technical University</p>

	<p><b>Enterprise Architecture</b> Natty Gur, The EA Group, Israel</p> <p>10:00 – 10:30 <b>EA and Governance</b> Christopher Blake, Architecting-the-Enterprise, UK</p>	<p>Leon Stucki, Future-tech Systems, US</p> <p>09:30 – 10:00 <b>Traceability: The Key to Enterprise Architecture</b> Chris Armstrong, President, Armstrong Process Group, Inc., US </p> <p>10:00 – 10:30 <b>Panel Session: Towards Effective Tools for Enterprise Architecture</b></p>	<p>of Valencia, Spain </p>
10:30–11:00	<b>Coffee</b>		
	<b>STREAM #9: Enterprise Architecture and Strategic Planning</b>	<b>STREAM #7: Key Issues in Enterprise Architecture Tools</b> (continued)	<b>STREAM #8: Architecting Enterprise-wide Semantic Interoperability</b> (continued)
11:00–12:30	<p>11:00 – 12:00 <b>TUTORIAL</b> <b>IT Governance: Tying together EA, Compliance, and Portfolio Management disciplines for business transformation success</b> Jonas Lamis, VP of Product Marketing, Troux Technologies, Inc</p> <p>12:00 – 12:30 <b>Business Transformation Planning: the CGI Experience</b> Bob Weisman, CGI, Canada</p>	<p>11:00 – 12:00 <b>CASE STUDY/TUTORIAL: Linking the Strategic Planning Process to Enterprise Architecture</b> Mark A. Benyovszky, CEO, Synthesis Consulting Partners (US)</p> <p>12:00 – 12:30 <b>Bridging the gap between Business and IT: a Survey on the Business Value of IT Systems</b> Mathias Ekstedt, Royal Institute of Technology, Stockholm, Sweden</p>	<p>11:00–12:30 <b>Architecting Enterprise-wide Semantic Interoperability (Session #2)</b></p>
12:30–13:30	<b>Lunch</b>		
	<a href="#">Top of Page</a> 		
<b>Parallel Streams – IT Architecture Practitioners Forum</b>			
	<b>STREAM #10: Enterprise Architecture and Decision Management</b>	<b>STREAM #11: Enterprise Architecture Case Studies</b>	<b>STREAM #8: Architecting Enterprise-wide Semantic Interoperability</b> (continued)
13:30–15:00	<p>13:30 – 14:00 <b>IT Infrastructure Library (ITIL) in USA</b> Ramesh Radhakrishnan, Global Client Solutions Architect, Sun </p> <p>14:00 – 14:30 <b>How to use ITIL to Manage Architecture Change</b> Serge Thorn, Director IT Research &amp; Innovation, Serono International (Switzerland) </p> <p>14:30 – 15:00 <b>Making the Architectural Dream a Reality - Nuts &amp; Bolts to Consider for a Smoother Transition</b> Daljit Banger, Principal Consultant, White Knight Management Ltd, UK </p>	<p>13:30 – 14:00 <b>CASE STUDY: US General Services Administration (GSA)</b> Ed Harrington, Data Access Technologies </p> <p>14:00 – 14:30 <b>IBM's approach to Enterprise Architecture and the Role of an Enterprise Architect in Global Service Delivery</b> Dr. Mehmet Yildiz, Executive IT Architect, IBM</p> <p>14:30 – 15:00 <b>Australia/NZ CASE STUDY: Setting Up an Enterprise Architecture Practice at Wachovia Corporation</b> Chris Cagle, Wachovia Corporation, US</p>	<p>13:30–15:00 <b>Architecting Enterprise-wide Semantic Interoperability (Session #3)</b></p>

15:00–15:30	<b>Coffee</b>		
	<b>STREAM #12: Enterprise Architecture and Value Realization</b>	<b>STREAM #13: The TOGAF Ongoing Evolution - Tutorial</b>	<b>STREAM #8: Architecting Enterprise- wide Semantic Interoperability (continued)</b>
15:30–17:00	<p>15:30 – 16:00 <b>Architecting Identity across Commerce Boundaries</b> Finbarr Joy, Solutions Director, UPCO, UK</p> <p>16:00 – 16:30 <b>Architecting in a Rapidly Growing Technology Enterprise</b> Oluwagbamila O. Oyekanmi, IT Architecture Manager, Vmobile Nigeria </p> <p>16:30 – 17:00 <b>TBA</b></p>	<p>15:30 – 16:00 <b>How EA Supports and Relates to IT Strategy and Portfolio Management</b> David Thame, Head of Strategy and Architecture, Transport for London, UK</p> <p>16:00 – 16:30 <b>CASE STUDY: Health &amp; Ageing Australia</b> Brad McCusker, Enterprise Architect, IBM Global Services, Australia</p> <p>16:30 – 17:00 <b>TOGAF - An End User's Perspective</b> TBA</p>	<p>15:30 – 16:00 <b>Enterprise Decision Management</b> Mark A. Benyovszky, CEO, Synthesis Consulting Partners (US)</p> <p>16:00 – 16:30 <b>CASE STUDY: A DSS Solution Framework at Infosys</b> Rajarshi Basu, Infosys(India)</p>
17:00	<b>Close</b>
